

The David Broome Training Academy

There is an opportunity for riders of all ages and abilities to be trained by one of the premier show jumping teams in the Country. The Broome family have been competing at the top level for the most part of the last half century and the time has now come for them to pass on their knowledge to other riders.

David Broome (former World Champion and twice Olympic medallist) and Matthew Broome (twice part of the junior European Gold Medal winning team) head the cast of the centre and are confident that riders that take part in these Training Camps will learn a great deal. David ensures the grassroots rider that “...everyone is welcome. Riders will be placed in groups with others of similar abilities so that they will never be out of their depth.”

Riders will be split into groups of 4 or less and each group will have a 1 hour session, twice a day, each day, totalling four hours. Each rider will be guaranteed at least 1 session with Matthew and another 1 hour session with David. In addition, each session will take place on a suitable All-Weather surface.

The price of £75 not only includes the four hours of lessons that each rider will receive, but it also includes a stable so that horses do not have to be travelled back and forth.

Riders are encouraged to invite family and friends to watch and perhaps record the sessions to make the most of this fantastic experience.

The only stipulation is that the Academy is only open to riders that compete at Wales and West and / or Cricklands Shows.

Spaces on these sessions are extremely limited and we operate on a first come, first serve basis. If you would like to book your place, please call 01291 420778 to check if there are spaces available for the date that you would like.
